* These are **required** support courses which may also be used to satisfy the indicated Distribution requirements. A student may choose to fulfill Distribution requirements with courses other than the ones listed, but these listed courses must still be taken.

Note: If a course is used to satisfy two or more requirements, (for example, a support course and a distribution elective), the credits are counted in only one place. Using a course to satisfy more than one requirement does **not** reduce the total credits required for graduation.

+ No more than 55 (57 in Accounting) credits, including free electives and/or minor, may be taken in the School of Business. Courses offered by the Economics Department do not count in this 55 credit limitation.

† Students wishing to register for ACC 485 must obtain the permission of the Department Chairperson.
