---

**Salem State University**  
Healthcare Studies Bachelor of Science

and

**North Shore Community College**  
Health Science Associate of Arts

DATE  
February 2019

Salem State University and North Shore Community College, in recognition of a valuable and barrier free public academic experience, have created a transfer articulation agreement between the Bachelor of Science in Healthcare Studies at Salem State University and the Associate of Arts in Health Science (an option of Liberal Arts) at North Shore Community College.

OBJECTIVES:

1. To encourage the transfer of qualified students from North Shore Community College to Salem State University.
2. To award academic credit for courses completed at North Shore Community College that meet the terms of the **Health Science (LHD)** Associate Degree, for application toward the requirements of the Bachelor of Science Degree, at Salem State University.
3. To provide effective and concise guidelines for students seeking to transfer to Salem State University. Students will have accurate and clear information regarding the transfer of their coursework and credits toward the Bachelor's Degree at Salem State University.

TERMS OF THE TRANSFER ARTICULATION AGREEMENT:

1. Salem State University guarantees the acceptance of students who complete the Associate of Arts in Health Science Degree at North Shore Community College with an overall GPA of 2.5 or better to the Bachelor of Science in Healthcare Studies Degree, at Salem State University.
2. Salem State University guarantees the transfer of credit as stipulated in the attached Program of Studies. This agreement assumes the completion of the Associate Degree and completion of the courses listed on the Program of Studies.
3. A minimum total of 120 credits must be completed to earn a Bachelor of Science at Salem State University.
4. **No more than 68 credits will transfer from a two-year institution, or any combination thereof, to Salem State University.**
5. This document is based upon the faculty evaluation of course descriptions presented to Salem State University. Courses as listed in this agreement will transfer to Salem State University provided a grade of 'C-' or better has been earned. **Whenever and wherever appropriate, the requirements of the Mass Transfer General Education Foundation will be honored.**
6. This agreement shall remain in effect for a period of **three** years from the date listed below, with the provision that the terms specified herein will continue to apply to students admitted from North Shore Community College's Health Science Associate Degree program within one year of the expiration of the agreement. Each institution agrees to provide timely notice to the other in the event of any modification to the curriculum that might affect compatibility for admission and transfer of coursework. Students admitted to the North Shore Community College Health Science Degree program prior to such notification shall be admitted to Salem State University on the basis of this agreement.
